

MENOPAUSE WORKSHOPS

Are you wanting to understand and better support women going through menopause in your organisation?

So many organisations are struggling with this important topic, so we are now offering 90 minute, on-line, interactive menopause workshops.

THE WORKSHOP COVERS:

- What the menopause is
- Common symptoms
- The impact these can have at work
- Support measures that an employer can put in place
- The legal standpoint

These are interactive workshops where attendees can discuss any concerns and expand their knowledge so they can help those individuals going through menopause thrive!
